

Otago University Squash Club
Committee Meeting
19th July 2009, 7:00pm

Present: Mitch Grant (chair), Abbey Munro, Emma Mckeown, John Harraway, Alice Delany, Nick Braae, Sam Jamieson, Dan Hutchinson, Sarah Laurensen, Chris Fergusson, Michelle Willyams

Absent: Joel Sugrue, Nat Vos, James Liley, Logan Millar, Lloyd Campton, Sarah Gilmore, Ali Romanos, Josie Grover

Apologies: Mark Robinson

Clubrooms: Were left in a disgusting state after men's interclub. **Andrew** is to send out an email to let team captains know that this needs to be taken care of, it only takes a few minutes to put dishes etc in dishwasher.

Interclub: Women's round that was snowed off last semester has to be played by late august. **Nat** to send email to captains and make sure these are played.

Heating: 5 engineers have come in and assessed the courts and possibilities of heating for these. 4 have said radiant heating will be a go. These plans are now at Clubs and Socs and will be dealt with by them.

Bathrooms: Clubs and Socs have fixed men's but still a water problem. Women's were very bad over weekend. Club and Socs have been notified and will look to rectify this.

Eftpos: Should be installed before tournament, so no longer any bar tabs. These need to be paid once eftpos is in, otherwise court booking will be disabled. **Nick** to send out list of how much people owe etc. No credit cards are able to be used otherwise we will be charged transaction fees.

Bar Club Managers Licence: Dan and Abbey are keen, club to pay for it. To be done before end of the year, done through SCANZ. At least 3 members to complete these. **Abbey** to contact SCANZ to get documents and get applications underway. To be done starting in next 2 weeks.

Frucor: Can get an account with them and get a “V” fridge giving us more fridge space, and cheaper mizone and other products. Only have to buy 3 cartons a year to justify us getting a fridge. Beer products can be placed on bottom 2 shelves.

Andrew also said Toko have a fridge that would be available to us for cheap, Sam thinks it might fit in the van but Mitch is very worried. **Andrew** to contact Toko and get the ball rolling before tournament. Fridge that is currently in bar could then be placed in kitchen for food items around tournament times.

Tournament: Is in 2 weeks, already have around 60 entries. Emma made toasties over the weekend and this was successful. Need 3 members to help out with food for this weekend to be in charge of organising everything, getting food and perhaps setting up a roster for the 3 venues. Thought we would sell burgers, toasties and pies. Abbey, Laurensen, Chris Ferg and Package have offered to take care of this. **Mitch** to get pie warmer from somewhere. Profits to go to C grade men and B grade women for their trips away.

Venues: Using Our courts, Logan Park, and North End. **Abbey** to send email around committee asking for everyone’s help at other venues, getting score sheets in etc.

Mitch is talking to the Cook about prize giving on the Sunday.

Will be getting a racket from Otago Sports Depot to raffle off, profits to go to teams going away. Will need a few volunteers to help push sales for this over the weekend.

Abbey and **Emma** to apply for grants for B grade women and C grade men.

Club Accounts: Emma is now handling the accounts. Any questions or problems with accounts now need to be directed to Emma, Abbey to give mail to Emma from now on.

Club Uniforms: Abbey to send out email, about new club shirts \$30 sizes small, medium and large. Available in navy and white.

Crazy Squash: Is this Friday Dan has ordered 2 Kegs. Posters will be put up, \$10 per person, email Dan or turn up. Mitch, Emma and Abbey will all be here to help out with collecting money, **Abbey** to email Trent and see if he would be keen to do bbq. Any profits made will go towards social squash next term.

Database: John brought up the concern with the database and next years committee not knowing how to use this. Andrew is to create a manual of some sort so that knowledge can be passed on to next year's committee so that things aren't lost like the secretary files.

Social Squash: To run again this semester, same as last year. Need someone to look after this for 2 weeks while Dan is away, Dan will send out an email with dates and organise someone to cover this.

AGM: be to held September/October along with Club Champs need people to take up roles and need to look at people for positions.

Meeting Closed: 7:50
